Part of the New Bridge Multi Academy Trust, Hollinwood Academy provides a broad and balanced curriculum that enables children and young people from reception to Key Stage 4 to access creative learning opportunities tailored to meet their individual needs. Our children and young people have a diagnosis of autism and/or social and communication difficulties

We have worked hard to continue to be at the forefront of successful, innovative curriculum design, with overall breadth and balance, which provides our children and young with their full entitlement. As a result, our students benefit from excellent opportunities in all aspects of our curriculum to achieve and improve their academic achievement, social skills, communication skills, knowledge, understanding, well-being and physical development.

Due to the complex nature of our students, high levels of emotional and physical resilience are needed in dealing with challenging behaviour. However, the knowledge that our work is making a positive impact in helping the young people to grow and work towards independence brings great reward

We currently have vacancies for a number of resilient and enthusiastic Level 1 Teaching Assistants to join our fantastic team based in Hollinwood.
