Part of the New Bridge Multi Academy Trust, Spring Brook School caters for pupils with a range of Social, Emotional and Mental Health (SEMH) difficulties. The school operates on a split site basis with the KS3 provision based in Failsworth and the primary provision based in Hollins.

We currently have a vacancy for an enthusiastic and efficient cleaner based initially at Spring Brook Upper School. The School is a unique place where pupils aged 11-14 are nurtured and developed to encourage independence and skills for life. Their social, emotional and mental health needs are at the forefront of our work. We offer a joined up, topic-based curriculum which suits our learners' needs.

Due to the complex needs of our students, high levels of emotional and physical resilience are needed in dealing with challenging behaviour. However, the knowledge that our work is making a positive impact in helping the young people to grow and work towards independence brings great reward.

Previous experience is preferred although full training will be given. The successful candidate will be passionate about creating a welcoming environment through good hygiene standards. Key elements for any candidate are excellent attendance and reliability.

The role involves general cleaning duties such as wiping down tables and surfaces, cleaning floors and toilets and using standard cleaning equipment such as mops and a vacuum cleaner. The successful candidate will be a member of a small team of cleaning staff and will need to be available to assist with a deeper clean of their particular site during the school holidays.

New Bridge MAT is committed to safeguarding and promoting the welfare of children and applicants must have a commitment to safeguarding young people. These posts are subject to a satisfactory enhanced disclosure from the Disclosure and Barring Service and references may be sought prior to appointment.
